## IV THERAPY

Sit back, hydrate, nourish, rejuvenate and relax with IV drip therapy.

Today's hectic modern lifestyle can leave you with a deficiency in vitamins and minerals. Unlike oral supplements, IV Therapy uses an intravenous drip to deliver essential vitamins and nutrients by infusing them directly into the bloodstream, resulting in a highly efficient absorption (100%) and an almost immediate effect.

## PRICES (VAT INCLUDED)

## 1/2/5 SESSIONS\*
